

Join us for...

a free, self-guided tour where each stop is a working farm. Please keep safety a priority and watch for electric fencing. We ask that visitors respect property, plants and animals. Sorry, absolutely no pets allowed - but remember to bring your camera! You may also want to bring bug spray, sun screen and a cooler to chill any products purchased.

All parking will be on the farm's property with potentially uneven terrain. While we will hope for a bright, cool weekend, weather may cause some animals to take shelter from the elements and cause some areas to be muddy.

Look for the persons wearing logo apparel for the site. They are your hosts for that stop and would love to answer any question you may have.

Door prize registration available at each stop.

The Miami County Farm Tour is not responsible for samples offered at any stop. All attendees are responsible for their own health and safety. Kansas law prohibits wine samples from being offered before noon on Sunday. Those sites will be open for visitors at 10 a.m. on Sunday but will not offer samples prior to noon.

NOTICE: In order to protect animal health, if you have traveled from a foreign country within nine days prior to this event please refrain from participating this year.

For more information about the farm tour, call (913) 294-4045 in advance or one of the stops during farm tour weekend.
