

I request that the Miami County Highway Department apply Dust Abatement to the gravel roadway in front of my residence. I understand, as do all members of my household, there **is NO GUARANTEE** as to the effectiveness of the duration of the product used. I agree to hold Miami County harmless for failure of the product to control dust. It is further understood that Miami County must maintain all roads for the traveling public and the Highway Department has the right to perform any maintenance on any roadway in the unincorporated area of Miami County. **If choosing Oil the applicant must attend a meeting* with Miami County representatives. If unable to attend either meeting pleas contact the Department so other arrangements can be made.**

Name: _____
