

# Miami County, Kansas

August, 2015

## Economic Data Point

Janet McRae  
Economic Development

Annually, the Kansas Bureau of Investigations releases a report providing annual crime rates as reported by local police departments. The Total Crime Index reflects the total number of crimes reported per 1,000 residents. Those crimes include violent offenses and property crimes such as burglary and thefts.

### Total Crime Index

	2007	2008	2009	2010	2011	2012	2013	2014
