County's Largest Taxpayers

Most businesses and residents keep a close eye on their tax bill. The data detailed below reflects taxes paid by the area's 2016 leading taxpayers for combined bills encompassing real property, state assessed utilities, personal property, minerals, oil property, gas property, vehicles and watercrafts. Because tax rates vary by classifications, a higher assessed valuation may not necessarily equate to an overall higher tax bill. All numbers are rounded to the closest \$100.
