

Best Practice use of Covid-19 CRF Funds

1. Title of Program: Campaign for Grade-Level Reading

2. Description of Program:

Jackson County, Iowa partnered with The Community Foundation to provide 150 activity bags for children. Families can receive a hot meal to-go and supplies like snacks, personal hygiene and health items, recipes, activity kits, and a variety of informational materials from service agencies. Bags for young children include a book, bubbles, balls, finger puppets and a handout with play ideas for those items; older children will receive a book, frisbee, journal, dice and instructions for dice games.
