Hello-

This is a letter of support to incorporate into Golden, Kansas.

My husband and I moved to this area approximately 4 years ago. The appeal for us was some "elbow-room" while also remaining a convenient distance away from our jobs and the stores/dining/resources of Johnson County.

In that time, we have seen the development of warehouses and increased truck traffic. The road in front of our home was busy when we moved in, but it's become somewhat of a highway now.

We are now expecting twins this summer and desire to raise our family in the environment we desired when we bought our home. We fear that the expansion of warehouses continues to threaten that dream.

We signed the official petition to be heard on this matter. Please accept this letter as formal support of request to incorporate and become Golden, Kansas.

We appreciate your time and careful thought on this important vote.

With thanks,
Erica and Matthew Hunt
