**Subject:** Comments for City of Golden

**\*\*This email originated from outside of County of Miami\*\***

My name is Vicki Davis, I live at 22636 W 226th Street, Spring Hill, KS 66083.

I'm responding to the Public Hearing for the consideration fo the petition for Incorporation of the City of Golden.

My husband and I want to opt out of the plan for the City of Golden. We feel the Miami County Zoning Commission should rezone the property in question to being Agricultural or Residential and the citizens of Miami County should not have to go through an incorporation process just to preserve our "Rural Way of Life". We are retired on a fixed income and we don't need any more taxes than we are currently paying. I pray the Miami County Board of County Commissioners will not vote to allow the City of Golden to be created.

Thank you,  
Romie and Vicki Davis
